4 Color Harris V-25

Perfect for 30# to 70# uncoated text stock

Jim checking a directory for correct color

Each employee on the web press, from the operator to the helper, is responsible for quality control. Once a job has been completed on the web or sheetfed press, it is time for it to move onto the Bindery department to be shaped into the final printed masterpiece!

Brad and Jim checking a directory for quality and watching signatures being jogged off the end of the press
